

Stephanie Raabe

Sustainability
SAP SE

Stephanie Raabe joined the Sustainability team of SAP SE in 2009. She is responsible for topics like business ethics, responsible digitization or sustainable procurement. In addition, she was the project lead for the first SAP Integrated Report published in 2012 and has since continued to work on integrated reporting in cooperation with SAP colleagues from Investor Relations and Corporate Financial Reporting.

Stephanie has been with SAP since 2005 after finishing her studies of „International Business and Cultural Studies" in Passau, Germany and Pavia, Italy.
