Andrew Bell , Senior Fellow, Human Capital , The Conference Board

Andrew Bell is a Senior Fellow, Human Capital at The Conference Board. In this role, Andrew supports the Human Capital Practice which includes **The Conference Board Human Capital Exchange™**, research, conferences, webcasts and programs in a broad spectrum of human capital areas.

In addition to serving as a Senior Fellow, Andrew is the Emerging Markets Human Resources Program Director for The Conference Board, and Vice President of International, CPP, Inc., where he is responsible for the operations and development of all business outside of the USA. With CPP, he is responsible for the operations and development of all business outside of the USA.

Prior to setting up his own company in 2003, Andrew was SVP Human Resources, East Asia Pacific for Unilever. He worked for Unilever for 23 years in HR roles based in the UK, China and Singapore. Through his corporate and consulting experience he has had leadership development and HR strategy assignments in 30 countries across five continents.

Bell has been involved with The Conference Board for more than ten years both as a Council member and subsequently as a program director. In addition to serving as a Senior Fellow, he is the program director for the Emerging Markets HR Council and was previously program director for both the Asia Pacific HR and Asia Pacific Diversity councils. For The Conference Board he has organized and chaired HR conferences, webcasts and is author of *Leadership Development in Asia Pacific - Identifying & Developing Leaders for Growth (2006)* and *Redefining the Employee Value Proposition – New Developments in Asia Pacific (2005)*.

Bell originally studied law and is a Chartered Fellow of the Chartered Institute of Personnel and Development in the UK. He currently lives near San Francisco.

Human Capital Speakers Bureau topics include the following:

- Trust and influence in a virtual world
- Leadership development internationally
- NR strategy for emerging markets
- Improving performance of people and teams
