Lucy Jefferys , Associate Partner , IBM Global Business Services

As an HCM systems and transformation consultant for 18 years, I have delivered multi-million pound business transformation and systems implementation in the HCM space for major bluechip organizations globally across many industries. Working with the likes of Tesco, HSBC, GSK, and the UN, I have worked with businesses to implement key HCM change programmes through the application of new processes and technology. This has always been to support the strategic direction of the organisation and provide business benefits.
