Ms. Laurie Wilshusen leads the Market Insights team at Mayo Clinic and directs the marketing function of the Arizona practice. She received her BA and MA from the University of Nebraska in Lincoln. Ms. Wilshusen has worked in the healthcare marketing field since 1989 and has consulted for many of the most respected names in healthcare, including hospitals, physician groups, device manufacturers, pharmaceutical companies and health plans. She enjoys reading, spending time with family and cheering for her preferred sports teams in both Nebraska and Arizona.
