Don Keller

Partner, Center for Board Governance
PricewaterhouseCoopers

Don Keller is a partner in the PWC Corporate Governance Practice, which provides thought leadership and viewpoints to the governance community. He has over 35 years of experience serving some of the firm's most distinguished multinational Global 100 clients operating in a variety of industries including technology, software, industrial products, mining, and oil and gas. His client interaction included reporting directly to the audit committees and interacting with the Boards of Directors of each client served. Immediately prior to joining the Corporate Governance Practice, Don was the global engagement leader for Alcoa after serving on the Dell engagement in the same capacity. He held identical roles for JD Edwards and StorageTek. He also served as the firm's Global Software Industry Leader and was the managing partner of the Austin office. Don is a recognized public speaker on a variety of topics including corporate governance, industry business practices, SEC reporting, and emerging technologies. He has authored number publications and was the primary author of the firm's
