

## **Brent Nicholson**

Co-Founder / Chief Growth Officer  
Carrum Health

As a co-founder, Brent has operationalized nearly every aspect of the Company - from first employer to first Center of Excellence to first patient. Prior to Carrum, Brent was a consultant with Booz & Company and Accenture, where he led transformation initiatives for several large healthcare payers and providers. He leverages deep experience in bundled payment administration to continuously make Carrum's solution more effective and easier to adopt.
