John Skinner
Director, Development and Policy Support
Intel Eco-Technology

John Skinner is one of the principle drivers of the Intel Open Energy Initiative. He works closely with the Intel Capital investment team where he oversees business development agreements with clean tech startup companies, and represents Intel as an alternate Board Member on the non-profit Climate Savers Computing Initiative. John is also a member of the Keiretsu Forum Angel Investor Network. John joined Intel in 1984, holds an MBA degree from Rutgers University, and a BS degree in Electrical Engineering from Cornell University.
