Anke Schrader
Senior Researcher
China Center for Economics and Business
anke.schrader@conferenceboard.org

Anke Schrader leads the research of The Conference Board China Center for Economics and Business on corporate citizenship, sustainability, and human capital. Her current research interests include corporate sustainability practices, measurement, and reporting; corporate citizenship and philanthropy engagement; civil society development; demographic changes in China and their implications for business and economic growth; China labor force evolution and development; and the evolving skill sets of China's workforce. She is also responsible for coordinating China Center research programs, knowledge management, and outreach activities to members, institutions, co-operators, and the public. Anke graduated from the University of Konstanz, Germany with a master's degree in Public Policy and Management.

Contact Carol Courter, Manager, Corporate Communications, +1 212 339 0232, courter@conferenceboard.org

The Conference Board is a global, independent business membership and research association working in the public interest. Our mission is unique: to provide the world's leading organizations with the practical knowledge they need to improve their performance and better serve society. The Conference Board is a non-advocacy, not-for-profit entity holding 501 (c)(3) tax-exempt status in the United States of America.
