

## Julie Stadlbauer

Chief Business Development Officer  
Progyny

Julie Stadlbauer, Chief Business Development Officer, has more than two decades of experience in the health benefits industry in various leadership, strategy, management and sales capacities. Julie leads Partnerships and Strategic Sales for Progyny. Her teams cultivate relationships with health plans, PBMs, large employers and consultants across the country, transforming employer sponsored fertility and family building solutions. Prior to joining Progyny, Julie held various national sales and leadership roles with Cigna, Health Net, Bloom Health, and ConsumerMedical.
