

## Robert Watson

SVP, Enterprise Sales & Employer Strategy  
Spring Health

Rob Watson is the Vice President of Enterprise Partnerships at Spring Health. He oversees Enterprise Sales, Strategic Alliances, and Clinical Partnerships. In addition to his role at Spring Health, Rob serves as a board member at Gateway For Cancer Research. Gateway is underwritten by Cancer Treatment Centers of America and invests in next generation patient-centric research. Rob has spent the majority of his career in healthcare after spending several years in investment banking. Rob graduated from DePaul University and holds an MBA from Kellogg. Outside of work, Rob is an avid surfer and musician and can be found in San Clemente, CA with his family.
