

Sjoerd van der Heijden

Program Manager Global Supply Chain
Marel Holding B.V.

Sjoerd van der Heijden is the Global Supply Chain Program Manager at food processing solutions provider Marel. In this role, he is the supply chain representative of Marel's corporate sustainability committee and is managing the implementation of several sustainability and compliancy processes with a focus on procurement. Before working at Marel, he held various diverse procurement roles at other multinationals.
