

Andrew Jones, PhD

Senior Researcher, ESG Center
The Conference Board

Andrew Jones, PhD, is a Senior Researcher at The Conference Board's ESG Center, where he leads research and thought leadership on a wide range of topics relating to ESG, sustainability, corporate citizenship, and philanthropy. His insights have been featured in the New York Times, Wall Street Journal, Bloomberg, Fortune, Forbes, Politico, Business Insider, and Agenda.

Andrew joined The Conference Board in 2022. Prior to this, he held diverse research, policy, and practitioner roles across academic, nongovernmental, multilateral, and think tank settings, often with a global or emerging market focus. His past positions include Senior Specialist at the World Bank, Assistant Professor at the University of Warwick, and Research and Policy Manager at Reall.

Andrew holds a PhD in Modern History and an MA in Contemporary History from the University of Birmingham, and a BA in History from the University of Manchester.
