

## Laura McMillan

Sr. Director, Benefits  
Activision Blizzard

As Sr. Director, Benefits for Activision Blizzard, Laura McMillan works hand in hand with her team to ensure that employees and their families receive benefits that are innovative, inclusive, and continuously evolving. We do this by implementing specialized health and wellbeing partners with a focus on individual needs, leading conditions, and cost drivers. This includes providing distinctive solutions and personalized care that support employees during their happiest moments and through their most difficult times.
