

## Dre Bullock

Director, Benefits Strategy  
AbbVie

Dre leads strategic planning, design, implementation, regulatory compliance, and communications of Total Rewards benefit programs for AbbVie, supporting business strategic priorities and optimizing the employee experience. Prior to joining AbbVie in 2013, Dre was Senior Manager of Health and Welfare Benefits for Abbott Laboratories, supporting business priorities through benefit design and clinical initiatives. He began his career at Hyatt Hotels Corporation managing U.S. health and welfare programs for 200+ hotels. Dre has received several significant achievement awards for delivering value added programs, including Employee Assistance Fund, HR Culture Circle, Mental Health Family Care Navigator, Medicare exchange, and retirement income plans.
