

Jennifer Lewis

Managing Director, Total Rewards
KPMG

Jennifer Lewis has responsibility for the Total Rewards programs for KPMG's U.S. firm. This includes compensation and partner services, health and welfare benefits, well-being, retirement and wealth programs. Jennifer recently led a review of KPMG's benefit programs to assess and enhance their support of KPMG's commitment to Diversity, Equity and Inclusion, and is championing the roll-out of the firm's comprehensive mental well-being strategy. Prior to joining KPMG, Jennifer was a senior consultant in retirement at a major benefits consulting firm. She is a fellow of the Society of Actuaries, an enrolled actuary under ERISA and a member of the American Academy of Actuaries.
