

David Kluxen

Vice President, Distribution Channels
Genomic Life

Dave oversees the commercial sales team at Genomic Life, where revenue growth, team performance, and client satisfaction lead his list of priorities. His success building national distribution programs from the ground up contribute to efficient revenue acquisition and rapid brand awareness.

With over 25 years in health and benefits, Dave has held leadership roles in sales, distribution, and strategy with Mercer, Extend Health (Willis Towers Watson), and DirectPath.

Dave holds a B.S. in Finance from Penn State.
