Henry M. Silvert
Survey Associate and Statistician

Henry M. Silvert is survey associate and statistician in the Consumer Research Center at The Conference Board. Silvert specializes in survey design and quantitative analysis. He contributes to several quarterly and annual reports and has contributed to research on HIV/AIDS in the workplace, business and education, executive coaching, the mature workforce, change management, leadership development, and succession and talent management.

Before joining The Conference Board, Silvert was an assistant professor at William Paterson University, a field supervisor for the Nutrition Consortium of New York State, and a data analyst for the National Development and Research Institute (NDRI). He has also written and presented research on social and economic development in Latin America, HIV/AIDS, and the social impact of energy consumption in the United States.

Silvert spent three years at Oxford University working toward a bachelor of philosophy in Latin American studies and has a doctorate in sociology from New York University.
