

Frank Dumont, MD, FACP

Medical Director
Virta Health

Dr. Frank Dumont currently serves as a clinician and Medical Director at Virta Health. Prior to joining Virta, he worked in a hospital-owned clinic for nearly 20 years, where he practiced outpatient and inpatient medicine and served as medical director of the wellness service line for the medical center.

Dr. Dumont has been devoted to improving healthcare delivery for over two decades, participating in organized medicine as a young physician representative to the AMA and serving on the Colorado Medical Society Board of Directors. He received his MD from the University of Colorado School of Medicine and today is a Fellow of the American College of Physicians.
