

Linda Lim

Senior Manager, People Operations
Greenhouse

Linda Lim is a Senior Manager, People Operations at Greenhouse Software, a SaaS applicant tracking software and hiring platform. In her role, Linda works to support global expansion and mobility, benefits, and compliance.

Linda has more than ten years of experience in Human Resources, holding various roles at several companies and startups, including Chowbus, project44, Discover Financial Services, and Groupon, from scaling operations to project management, and leading a team.

Linda was born and raised in the Chicago-land area, earned her bachelor's degree from DePaul University, and now resides in a suburb of Chicago with her two dogs Mortimer and Arya. She loves spending her time doing DIY home projects, puzzles, and learning how to be a better cook.
