

Access to Experts

Omar Andrade
Conference Program Director
The Conference Board

Omar Andrade leads Global Media Resource LLC a collaborative group dedicated to conceptualizing and commercializing thought leadership in the form of events, rich online media, business research and digital publishing with organizations including The Economist, [Knowledge@Wharton](#) and Oxford Economics. Areas of concentration include Business Transformation, Risk Management, Change Management, Leadership Development and Finance Management.

Over the past decade he has created events, sponsored research vehicles, multimedia programs and custom publishing projects for every major consultancy and technology organization. He has held positions at The Economist and CFO Publishing, Institute for International Research and several international positions within the chemical industry. He holds a BE in chemical engineering from The Stevens Institute and graduate studies in Education and Organizational Development.
