

Linda Anegawa, MD, MS, FACP

Chief of Medicine
Noom, Inc.

Linda Anegawa, MD, MS, FACP is Chief of Medicine at Noom. Her career has spanned over 20 years in academic primary care, bariatrics, and leadership in digital health startups. Since becoming certified by the American Board of Obesity Medicine in 2012, she has led the development of weight loss and lifestyle medicine programs in both the brick-and-mortar healthcare and telemedicine spaces. Linda has also sat on multiple advisory boards in the nutrition product, weight loss, and pharma spaces.
