

Karen Personett

Manager, Wellness & Health Promotion
DTE Energy

With almost twenty-five years of experience in leading transformational movements, Karen is driven by the belief that wellbeing is the foundational enabler to everything we do and strive to achieve at both an individual and enterprise level. Dynamic, innovative, and inclusive thought leader with a proven ability to create a shared vision, develop and execute comprehensive strategies, unify efforts in diverse matrixed organizations, with a documented track record of driving meaningful organizational change. Karen's passion, loyalty, and shared commitment are fundamental to her ability to influence and drive cultural transformations.

Karen is married, mother of 4 children, herd mom of many rescues, and a lifelong on again/off again practicing martial artist.
