

Dr. Fahimeh Sasan

Founding Physician and Chief Innovation Officer
Kindbody

Dr. Fahimeh Sasan is Chief Innovation Officer at Kindbody where she builds and leads programs that help employers deliver equitable and inclusive reproductive care and family-building benefits programs to their global workforces. Kindbody is a leading fertility clinic network and global family-building benefits provider for employers offering the full-spectrum of reproductive care from preconception to postpartum through menopause. Dr. Sasan is a board certified Ob/Gyn who completed her residency in obstetrics and gynecology at Mount Sinai Hospital in New York City, which was named to Newsweek’s list of “America’s Best Maternity Hospitals 2022”. Dr. Sasan is deeply committed to promoting healthcare literacy as a form of preventative healthcare, empowering people with the essential knowledge to take control of their health. She is a frequent speaker on reproductive health and education, maternal care, and the impact social determinants of health have on people’s health, well-being, and quality of life. She was instrumental in Kindbody’s partnership with Walmart, which provides reproductive and fertility care and surrogacy to Walmart’s workforce. In addition to her work at Kindbody, Dr. Sasan is a member of the Business Group on Health (BGH) Evidence-based Benefit Design Committee.
