

Veeneta Lakhani

Chief Growth Officer
Vida Health

Veeneta Lakhani is Vida's Chief Growth Officer. She is an innovative healthcare executive with a decade of experience in senior-level health plan positions across value-based reimbursement, provider operations, and strategic planning. She was formerly Vice President at Anthem where she led the enterprise-wide rollout of Anthem's ACO program and population health services. She began her career in consulting at Mckinsey and Company where she was an Associate Partner and at Accenture where she was in the technology practice.
