

Vadim Liberman

Former Senior Editor
The Conference Board Review

The following is a bio of a former employee/consultant

Vadim Liberman is a former senior editor at *TCB Review*, the thought-leader magazine of The Conference Board, where he explored ideas and opinions related to business management in provocative ways that challenge conventional wisdom. He may not always know the right answers, but by tackling the right questions, he aims to elevate how executives think about today's problems.

Vadim is currently the Editor at TLNT and ERE.net.
