

Thomas Yagel

Chief Operating and Product Officer
S&P Global Sustainable1

Thomas Yagel is the Chief Operating and Product Officer for S&P Global Sustainable1. In this role, he is responsible for setting strategy and leading key initiatives across ESG Technology, Content, Research, Solutions and Product. Prior to taking the position with Sustainable 1 in 2021, Thomas led the Corporates business within Market Intelligence for the prior six years. Thomas has an extensive background in both finance and technology. He joined S&P Global in 2007. In addition to his time in the financial information services industry, Thomas spent the first decade of his career in software product development and consulting primarily for global telecommunication firm Alcatel, but also in a handful of startup business. Thomas holds an M.B.A. with honors in finance and accounting from New York University Stern School of Business and a B.S. in physics from the University of Virginia. Thomas currently serves as an advisor on the board of Q4 Inc.
