

## David Wright

Director of Growth Solutions  
Headspace

At a critical moment in mental healthcare, David sees an opportunity to build industry-leading solutions that revolutionize health care. As a resourceful business and clinical leader, David specializes in behavioral health (BH) and Employee Assistance Program (EAP) solutions. His passion for mental health drives him to solve industry challenges, create commercial client solutions, and lead transformative teams. With a track record of building innovative solutions, delivering quality outcomes, and ensuring client growth and retention, David's diverse background in clinical operations, strategy, and sales leadership enables him to help people live better, healthier lives.
