

## Patrice Johnson

Director, Wellbeing Benefits  
MGM Resorts International

Patrice Johnson is the Director of Wellbeing Benefits at MGM Resorts International, leading their health and well-being strategy. She is a passionate advocate for providing inclusive benefits that meet the needs of a diverse workforce, as well as promoting programs that support the mental and financial health of all team members.

Prior to joining MGM, Patrice has spent the past twenty years+ in the global benefits and well-being space, working for companies such as MetLife, Aon, and Electronic Arts. Outside of work, Patrice enjoys reading, cooking, and spending time with her family in Las Vegas, Nevada.
