

## Megan Burns

Lead Benefits Solutions Consultant  
Benepass

Megan Burns is a Benefits Solutions Consultant at Benepass and helps employers launch customizable spending accounts that meet their benefits goals and budget while providing an incredible experience that employees love.

Megan has been in the benefits industry for over 10 years supporting employers' benefits planning, employee engagement strategies, technology implementations, ongoing administration and compliance.

Megan specializes in global plan design, benchmarking, financial projections, program education, system implementations and more.

Megan is incredibly passionate about employee benefits that support employees and their families. She is equally passionate about delivering for the clients and administrators she supports as well.
