

## Levi Goertz

Co-founder and Head of Client Solutions  
Valence

Levi leads Client Solutions at Valence and lives for you to make an impact with our AI Coach. He joined Valence in the early days and has worked with 100% of our clients who have used the tools. He wants to bring that knowledge to you. Levi previously co-founded a software startup that grew organically to over 100 staff with operations in 22 countries across Africa and Asia.
