

Georgia Barrett

Senior Consultant, Vice President USA
Bowen Craggs

Since opening Bowen Craggs' New York office, Georgia is responsible for leading the expansion of Bowen Craggs' US operations. Georgia is also a senior consultant and works closely with our clients in the US and around the world, and has completed consultancy projects for a range of clients including Amazon, Spotify and Verizon. Georgia has co-written research on what the next generation wants from online corporate communications and how high-performing digital teams achieve success. Before joining the company, Georgia worked in global strategic communications.
