Gary Magenta

Senior Vice President, Client Solutions
Root Inc.

gmagenta@rootinc.com

Gary Magenta is committed to the development of leaders and managers. He does this based on a strong perspective that if leaders and managers want to change their businesses, they must start by changing how they engage their people. Gary is a Senior Vice President of Root Inc., a consulting company that helps organizations execute their strategy through people. During his 13 years at Root, Gary has partnered with CEOs and executive teams at Fortune 500 and Global 2000 organizations throughout North America and Europe with a holistic view of their businesses, their people, and the customers they serve. Whatever the challenge, Gary brings over 25 years of business experience to every project, supported by a realistic outlook, a durable "street sense" for creating results, and a sense of humor that puts things into perspective. Gary is the author of *The Un-Bossy Boss*. He is a frequent speaker at client events, industry conferences, and business strategy and human resources seminars. He has been recognized with a Stevie American Business Award for Executive of the Year.
