Thomas Singer
Principal Researcher
The Conference Board

Thomas Singer is a principal researcher in corporate leadership at The Conference Board. His research focuses on corporate social responsibility and sustainability issues. Singer is the author of numerous publications, including *Driving Revenue Growth through Sustainable Products and Services* and the comprehensive corporate sustainability benchmarking report *Sustainability Practices*.

Prior to joining The Conference Board, Singer worked with Blu Skye Sustainability Consulting and SustainAbility, helping clients embed sustainability into their core business.

Over his career, he has supported engagements with industry leaders across sectors, focusing on strategy development, opportunity assessment, competitive analysis, and stakeholder engagement. He began his career as a management consultant with Kaiser Associates, advising clients on white space opportunities, competitive analysis, and benchmarking. Singer is a graduate of Tufts University.
