

Guyte McCord

CEO
Graphika

Guyte McCord is Chief Executive Officer of Graphika, a leading open-source intelligence provider, where he leads a world-class team helping organizations navigate complex online threats and emerging events. With over 20 years of experience in the technology sector, he is deeply passionate about innovation and entrepreneurship and is dedicated to developing groundbreaking solutions for enterprise and government clients.

Before joining Graphika, Guyte was Managing Director of the Technology and Managed Services division at Intuition, an Irish firm serving global banks, life sciences firms, energy companies, and government agencies. During his decade at Intuition, he positioned the firm at the forefront of enterprise mobility, pioneering the adoption of mobile apps for compliance and corporate learning worldwide.

Guyte holds a B.S. from the University of Florida and is an alumnus of the Duke Talent Identification Program.
