Rocca D'Angela
Director, Talent Research
Centre of Excellence in Financial Services Education

Rocca D'Angela is the Director of Talent Research for the Centre of Excellence in Financial Services Education. She has over 25 years of experience working in financial services, with a particular focus on talent development for financial services professionals. She specializes in the design, development, implementation and evaluation of education and training initiatives that align to the strategic needs of an organization. Over the course of her career, she has worked at an investment dealer, a self-regulatory organization and an industry training body. Currently, at the Centre of Excellence, she leads research initiatives to promote the talent pipeline for the financial services sector.
