

Prabhat Dhar

Head of Enterprise
Superpower

Prabhat Dhar leads enterprise growth at Superpower, a company building a new preventive healthcare system. He spearheads the company's employer, health plan, and strategic partnership business. Previously, Prabhat served as SVP of Employer Revenue and Client Experience at Headspace. He has spent his career helping healthcare companies bring innovative solutions to employers at scale and is passionate about finding new ways to reduce long-term healthcare costs and helping organizations build more effective preventive health strategies.
