

Molly Wood

Founder and CEO
Molly Wood Media

Molly Wood is the founder and CEO of Molly Wood Media, a climate solutions media company, and host of “*Everybody in the Pool*,” a podcast for the climate economy. Molly is a former writer and broadcaster at *CNET/CBS*, the *New York Times*, a host on the radio program *Marketplace*, and a former managing director at the venture capital firm LAUNCH. Now she invests, connects, and educates on all things climate tech.
