

Stacie Hueller

Senior HR Director of Americas Benefits
Medtronic

Stacie Hueller is Senior HR Director of Americas Benefits at Medtronic, overseeing health and welfare, retirement, leave, and disability benefits in the United States and Puerto Rico, with consulting responsibilities across Latin America and Canada. She has more than 20 years of finance and HR experience.

Previously, she held Global Payroll leadership roles and helped shape Medtronic's global payroll strategy after the 2015 Covidien acquisition.

Stacie is passionate about innovative healthcare solutions that reduce costs and improve health benefits literacy, empowering employees to make informed decisions and support their well-being.
