Duleesha Kulasooriya
Head of Strategy and Research
Deloitte Center for the Edge

Duleesha Kulasooriya heads Strategy and Research for the Deloitte Center for the Edge – a Silicon Valley-based management research think tank exploring the edges of business and technology. Over the past few years he has explored how the world is changing in very dramatic ways as a result of ever evolving digital infrastructure and liberalizing public policy, and its implications to us as individuals and institutions. Duleesha led the team that developed and authored the Shift Index Report and has written and spoken extensively on the use of new technologies to drive business performance, pathways to moving from static to dynamic ecosystems, and rethinking the role of firm and individuals in the form of institutional innovation.
