Eugene Burke
Chief Science & Analytic Officer
SHL
eugene.burke@shl.com

Eugene is Chief Science & Analytics Officer at SHL, the global Talent Assessment Company, where he leads on the application of analytics and assessment to inform organisational talent strategy. He has held various roles at SHL including Director of R&D, Global Product Director, Director of Design and Innovation as well as Director of Consultancy UK. He has worked with clients in both the public and private sectors across Europe, North America, the Middle East and Asia. He began his career as a Research Psychologist supporting the Royal Air Force's selection programmes serving with the United States Air Force and on NATO programmes before leaving the UK Ministry of Defence as a Principal Psychologist. He serves on a number of professional bodies and was recently elected as Chair of the Board of the Association of Test Publishers. A regular contributor to events on assessment, talent management as well as risk and safety, Eugene has published several scientific journal articles, book chapters and books on psychometrics, innovations in assessment and applications of assessment to talent management.

Contact Carol Courter, Manager, Corporate Communications, +1 212 339 0232, courter@conferenceboard.org

The Conference Board is a global, independent business membership and research association working in the public interest. Our mission is unique: to provide the world's leading organizations with the practical knowledge they need to improve their performance and better serve society. The Conference Board is a non-advocacy, not-for-profit entity holding 501 (c)(3) tax-exempt status in the United States of America.
