Mike Smith
AlignOrg Solutions

Mike Smith is a leadership and organization development catalyst who specializes in facilitating strategic planning and aligning organizations' processes, choices and leaders to set direction and drive results. Mike comes with deep experience in the public sector and has advanced degrees in leadership development and public administration. He has worked in university and public education district administration. As an adjunct business faculty, Mike teaches leadership, administration, marketing and other business courses to graduate and undergraduate students. Mike's work currently centers on creating measurement systems for accreditation of secondary schools, statewide evaluation and measurement of public administrators.
