David Giordano
Managing Director
BlackRock

Managing Director of the BAI-Renewable Power Group. Mr. Giordano has nearly 17 years of experience in the energy industry. Most recently, Mr. Giordano has served as the Chief Operations Officer and Chief Financial Officer for Community Energy Holdings, Inc. Mr. Giordano was one of the original members of the Babcock & Brown North American infrastructure team where he closed over \$4 billion of wind transactions and assisted in the North American Infrastructure Fund. From 2005 to 2007, Mr. Giordano worked closely with the Airtricity North American team as part of an advisory arrangement between Babcock & Brown and Airtricity. Prior to joining Babcock & Brown, Mr. Giordano worked for FPL Energy (now NextEra) where he developed and acquired operating and development power assets (both wind and natural gas) and played a key role in the first non-registered 144A bond offering for a portfolio of wind assets which received an investment grade credit rating and raised nearly \$400 million. Mr. Giordano holds a Bachelor of Arts from Dickinson College in Economics and Policy & Management studies and a Masters of Public Administration from Syracuse University's Maxwell School.
