

## Access to Experts

**Ilaria Maselli**  
Senior Economist  
The Conference Board

Ilaria Maselli is a senior economist for Europe at The Conference Board. Maselli has also been affiliated with the Brussels-based think tank the Centre for European Policy Studies (CEPS) since 2007; her latest position is research fellow.

Maselli's main area of expertise is the analysis of labor markets, in particular their interaction with education and technological change. She is one of the authors of the recently published book *Let's Get to Work! The Future of Labour in Europe* and developed ground-breaking research on the gig economy. She is also an expert in the macroeconomic performance of the Euro Area. She has worked on several studies for the European Commission on the possibility of creating a European unemployment benefit scheme as solution to improve the architecture of the economic and monetary union.

Maselli holds a master degree in European Studies from the University of Bologna and undertook further training in economics at the University of Leuven.
