**Craig Metrick**  
Principal, US Head, Responsible Investment  
Mercer

Craig Metrick is Principal and US Head of Responsible Investment for Mercer. In this role Mr. Metrick consults to public, private pension clients as well as endowments and foundations on implementing responsible investment principles and mandates. Craig also represents Mercer at various conferences, industry events, and in press interviews, webcasts, etc. Previously, Craig was a Director at the Investor Responsibility Research Center, Inc. (IRRC), which provided ESG research to institutional investors. Craig joined Mercer in 2006 and has more than 15 years experience working in the responsible investment industry and on issues of sustainability and corporate responsibility.

In 2011 Craig became a Board Member of the US Forum for Sustainable and Responsible Investment (USSIF) and serves on the Membership and Research Committees and is a Trustee of staff defined contribution plan. Craig is also a member of FTSE4Good US Advisory Committee.

Craig graduated with a degree incorporating international relations, economics and environmental science from Bradley University and has a Master's degree in environmental science and public policy from George Mason University.
