Gary Neikerk
Director of Global Citizenship
Intel

Gary has spent over 25 years working inside some of the world's most recognizable technology brands such as HP, Apple and Intel to make sure what they do to produce their products is as admirable as the products themselves. Gary has spent the last 19 years at Intel working in a variety of leadership positions; he is currently the Director of Global Citizenship where he works on corporate strategy related to sustainability, stakeholder management and creating shared value.
