Access to Experts

Damien Jelsch
Council Director, Chief Financial Officers Council
The Conference Board

Damien's expertise in Leadership and Finance has been built over a 29-year career in key finance and general management roles in an international, multicultural and multilingual environment. His roles have encompassed Financial Controls Manager, CFO, Deputy General Manager and General Manager in companies across several industries (construction, telecommunications, energy, life sciences). During this period, he gained a strong experience and expertise in Finance and support functions as well as in Project Management. Damien holds a Master and higher degree in accounting & controlling from the University of Haute Alsace (France) and speaks four languages (French, English, German and Spanish).
