Daniel Shapiro

Director

Mathematica

Daniel.Shapiro@conference-board.org

Daniel Shapiro is director of Mathematica's data analytics and management department in the surveys and information services division. He has expertise in performance measurement, data warehousing, data specifications, and system testing.

Contact Carol Courter, Manager, Corporate Communications, +1 212 339 0232, courter@conferenceboard.org

The Conference Board is a global, independent business membership and research association working in the public interest. Our mission is unique: to provide the world's leading organizations with the practical knowledge they need to improve their performance and better serve society. The Conference Board is a non-advocacy, not-for-profit entity holding 501 (c)(3) tax-exempt status in the United States of America.
