Bertrand Dussert

Vice President, HCM Transformation
Oracle

bertrand.dussert@oracle.com

Bertrand Dussert is vice president of HCM transformation and thought leadership for Oracle. In this capacity, he serves as HR transformation and executive advisor to some of Oracle's largest clients. Dussert also serves as an HR thought leadership speaker and Oracle representative for targeted events and partners with product strategy to help inform product design. Prior to Oracle, Dussert was the global leader for HR shared services, recruitment operations, and workforce planning for American Express. When not at work, Dussert can often be found thinking about the next big thing while training for Ironman triathlons.
