Doug Cogan
Director, Climate Risk Management
RiskMetrics Group

Risk Metrics is a firm that specializes in the analysis of portfolio, governance and accounting risk. Mr. Cogan has 25 years of experience as a researcher and advisor to institutional investors, corporations and government agencies. He is the author of several books and many articles on energy and environmental topics, and serves as a project consultant and lecturer for RiskMetrics on environmental, social and governance (ESG) topics. Mr. Cogan is the author or co-author of a series of reports for Ceres and INCR on **Corporate Governance and Climate Change**, profiling and rating widely held corporations in more than 10 industry sectors. He is also the co-author of the 2007 **Carbon Disclosure Project** report on S&P500 companies, the 2009 CDP Electric Utility sector report and **Addressing Climate Risk: Financial Institutions in Emerging Markets**, a best practices report commissioned by DEG, a German bilateral financial institution, and published by Ceres.
