Sharad Jain
Partner, Governance Insights Center
PwC

Sharad Jain is a partner in PwC’s Governance Insights Center, which strives to strengthen the connection between directors, executive teams and investors by helping them navigate the evolving governance landscape.

With more than 35 years of experience at PwC providing audit and audit-related services to large global companies, Sharad has worked with many Boards of Directors to advise on a variety of complex matters, in the context of their companies’ global operations. Sharad has specialized in working with automotive, consumer products and industrial products companies, along with their captive finance and insurance businesses.

Sharad has contributed to several PwC white papers on accounting and reporting topics of interest to consumer and industrial products companies. Going forward, Sharad will be the Governance Insights Center’s lead content expert on the Audit Committee Excellence Series.

Sharad is a Certified Public Accountant (Elijah Watt Sells Award) and trained as a Chartered Accountant in the UK before moving to the USA with PwC. Sharad is often found day dreaming about improving his golf game or learning to play a musical instrument to one day be able to accompany his talented children.
